**Overview**

This class will share new teaching from Mother Mary on how a great Silent Watcher, known as Immaculata, uses her divine musical skills and her perfect vision to direct the angelic choirs of heaven to sing their glorious songs of praise to the Creator. We will listen to numerous renditions of divinely overshadowed choirs and orchestras whose music heightens our spiritual sensitivity in order for us to meditate with greater clarity and to reach more ecstatic states of communion with the Divine One.

Mother Mary will discourse with us on Immaculata's sacred work and then comment on the effects of each musical piece after it is played, sharing how it impacts our souls as well as our environment, our civilization, and our planet. During the last hour of our class, students will be afforded an opportunity to ask questions of Mother Mary related to the subject matter.

Ave Maria 4:19

Sanctus 2:44

<https://www.youtube.com/watch?v=hAiECJf5Ouo>

Mary's comments: This music is some of the purest being released upon Earth today. It immediately invokes angels to be with us, and a specific angel (and sometimes many angels) overshines each young man (boy) who sings.

### **The USSR Ministry of Culture Chamber Choir**

Hymn of the Cherubim by P.I. Tchaikovsky 7:35

<https://www.youtube.com/watch?v=vyFkPd6fEuI>

This piece by Tchaikovsky does indeed invoke the cherubim to radiate their light in our midst whenever it is played.

### **Mormon Tabernacle Choir**

The Holy City 5:38

<https://www.youtube.com/watch?v=5PAc3krFyQA>

When this or other excellent renditions of this sacred music are played, a replica of the Holy City descends over the place it is played, and many divine beings radiate great light and spiritual fire, which can assist in dissolving darkness and maintaining a positive flowfield and atmosphere.

### **Andre Rieu & His Johann Strauss Orchestra (and Choir)**

O Holy Night 4:05

<https://www.youtube.com/watch?v=8VfYKkJxl0>

This powerful music actually opens the akashic records and all that transpired as mentioned in the words is re-enacted in the etheric plane, anchoring great light in the Earth. This rendition is one of Mother Mary's favorites and should be played often, especially at Christmastide.

### **Bulgarian Orthodox Choir**

Megaloschemos II (Begin at 5:49 until 7:05)

<https://www.youtube.com/watch?v=o81A31hlgEA>

This music invokes the action of the Fatherhood of God, the strong Alpha currents that are sometimes required to counteract evil and to dispel demonic or opposing forces that attack us.

### **Jerusalem of God with Ofra Haza 5:27**

<https://www.youtube.com/watch?v=72QC8EGnxTw>

This music lowers the energy of the New Jerusalem from within the Temple of the Sun upon/within our Sun itself into our Earth. It should be played often in New York City, as the Goddess of Liberty's etheric retreat over Manhattan is also a conduit for this same light.

### **Bulgarian National Choir "Svetoslav Obretenov"**

The Lord's Prayer : A Russian Orthodox Liturgical Work by Nikolay Kedrov, Sr. 3:56

<https://www.youtube.com/watch?v=p3iYnHx8P0s>

This is a magnificent rendering of the "Our Father" in this sacred Bulgarian tongue and releases great Christic power for healing to safeguard souls from the wiles of the wicked ones.

### **Virtual Kirtan Choir**

Ma Durga 3:03

<https://www.youtube.com/watch?v=JqyKkxds8eU>

### **Jayadev's Virtual Mantra Choir**

Giri Govardhan 10:43

<https://www.youtube.com/watch?v=dqE0t8hvBvc>

### **Eric Whitacre**

Light and Gold: Lux Aurumque 4:15

[https://www.youtube.com/watch?v=0j2JRcC6wBs&list=RD0j2JRcC6wBs&start\\_radio=1&t=57](https://www.youtube.com/watch?v=0j2JRcC6wBs&list=RD0j2JRcC6wBs&start_radio=1&t=57)

All of this virtual music interweaves the light essences of each singer within the composite of the voices. Although the singers are not physically together, through a synergistic alchemy of sound the total effect is beautiful and powerful. It is one way for spirits around the word to connect as if they were in one sacred choral group. Mary cautions us to only use this matrix for divine sound and harmonic and beautiful, spiritual music... otherwise the effects could be catastrophic.

**Chinese Hymns of Underground House Churches** 8:14

[https://www.youtube.com/watch?v=aq8rp\\_783WY](https://www.youtube.com/watch?v=aq8rp_783WY)

We should play this video to support our holy Christian brothers and sisters throughout China who are not free to fully practice their spirituality or religion in that communist nation. This music releases the jubilant joy of Jesus with such great fervor and fire that it will safeguard many from the machinations of the Red Dragon as it continues to subjugate souls in China.

**Ode to Joy from Beethoven's 9<sup>th</sup> Symphony 4<sup>th</sup> movement sung by 10,000 Japanese** 17:39

Begin at 6:35

<https://www.youtube.com/watch?v=X6s6YKITpfw>

This is one of the most powerful releases of divine music ever rendered on Earth. Mighty Victory appeared above this alchemical work and blessed all who participated as tens of thousands of angels sang with the vast choir who came together for this awesome event.
