Textbook: *Jesus and the Essenes* by Dolores Cannon

Students should read the book before the class and be ready to darshan with Jesus!

Overview

Our understanding of how the Great White Brotherhood prepared for the mission of the Piscean Messiah, Beloved Jesus (Yeshua, Issa), through the Essene community at Qumran near the Dead Sea is important to provide context for our work now in preparing for the Age of Aquarius dawning. This class will provide insights into the early life of Jesus with the Essenes and how his training as an initiate was seminal for his later life and mission. Dolores Cannon's book, *Jesus and the Essenes*, provides unprecedented material on this topic.

David will also explore teachings from Edmund Bordeaux Szekely's books on the Essenes, including *The Essene Gospels of Peace*. We will experience the Essene Communion with The Angels of the Earthly Father and Heavenly Mother and learn about the Ten Commandments as practiced by the Essenes.

Key concepts to be discussed:

1. The path of initiation is the path of discipline, study and practicality.
2. The importance of meditation, silence and Self-awareness.
3. The Essene Way of Life.
4. How Jesus was unique and was able to transcend even the Essene Way of Life in order to bring the light of divine love, forgiveness and compassion to our Earth.
5. *The Essene Gospel of Peace* and Edmond Bordeaux Szekely's books
6. Jesus and Magda—Masculine and Feminine Christic Wayshowers
7. What we may apply today of the Essene Way of Life to assist Saint Germain and Portia and Lord Maitreya in ushering in Aquarius.

Students will have the opportunity to ask and answer questions during the class.
