2) For folks who have never purchased a Meru University course and do not have a user name and password for The Heart Center's main website, www.heartscenter.org (Group #2).

I. For Group #1 (Those who already have a user name and password on The Hearts Center's website www.heartscenter.org)

To gain access your past courses

1. Log in to the web site

Click on "LOGIN" in the upper right hand corner.

The screenshot shows the top navigation bar of the website with a user profile icon, the text "welcome guest", a search icon, and a "LOGIN" button. Below this is a login form with the heading "login with your username". It contains two input fields: "Username" and "Password". A prominent green "LOGIN" button is located below the password field, with a red arrow pointing to it from the right. At the bottom of the form, there are two links: "Create new account" and "Request new password".

Enter the username and password that you use for The Hearts Center's main website – exactly the same one. Please do not create a new username and password. All of your past courses are stored under your current username and password for The Hearts Center. If you create a new username and password you will not find your past courses!

2. On the left side of the page, you will see these icons. Click on the fourth icon, “My Courses”, to view all the courses you attended in the past.

3. You will see a set of courses listed, as in the picture below. To view a replay, click on the course name in the blue box.

4. Once on the course page, you will see the **Lessons** on the left. Click on a lesson to view the video.
